

Vivace

Impulse Machines

Design and user interface

- Elegant and uncluttered design.
- Capacitive keyboard and 4.3" TFT display, capable of displaying promotions and nutritional facts.
- LED lighting inside the white cabinet for maximum visibility of the displayed products.

Maximum flexibility

- Up to 6 trays which can be easily moved thanks to Vertical Flex (V-Flex) system.
- Space optimisation inside the cabinet.
- Wider delivery bin.
- Enhanced ETL trays (depending on model).

High energy efficiency

- C class according to EN 50597 scale.
- Perfect insulation of the cabinet.
- Cooling unit with R290 gas.
- High energy efficiency and dramatic decrease of pull down time.
- Vivace can manage up to two temperatures inside the cabinet.

Electronics

- Vivace is compatible with Newis Hi! solution.

Features	
Height	1700mm
